

The competition that unveils the construction sector's latest innovations

The Innovation Awards at Le Mondial du Bâtiment showcase innovative solutions from exhibitors at **BATIMAT**, **IDÉOBAIN** and **INTERCLIMA**. These solutions address key issues faced by professionals across the entire construction value chain. The 2022 edition included 167 applications (products or solutions), 82 nominees, 43 committed panel members, 24 winners and 3 top picks!
